

College Bound

Directions

You are college admissions officers who must decide which of two college applicants to admit. The admissions committee has already determined that the candidates, Markus and Tommy, are equally desirable based on their grades, test scores, and personal essays. The officers also have the following information from an online search of each candidate.

Review the material below. Then fill out the Feedback Form and make your final choice.

Review of Betts Park

Teens love it, parents don't. Betts Park boasts four baseball diamonds, a soccer field, and four tennis courts. It's an after-school mecca for kids from Central and Highland High Schools for baseball, soccer, or goofing off. The fields are in amazingly good condition, with green grass cut close and well watered. But spectators beware. There is no room for people to sit. Park operators say the next step is to install bleachers and concessions trucks. For now, though, fans are forced to sit on their coats or ... TO STAND.

Freshman Starts His Own Nonprofit to Serve Kids with Learning Differences

Monday, March 5, 2008 | <http://www.hifflandgazette.org>

CHICAGO – Freshman Tommy Williams is starting high school on the right foot. Just before entering Hiffland, Tommy founded a nonprofit organization in Chicago called Making Different Special. The nonprofit offers support groups and tutoring services to elementary and middle school kids with learning differences like dyslexia. According to Tommy’s mom, a physician at Chestnut Lake Hospital, Tommy has always been a leader. “When Tommy was little, he was selling lemonade with fruit chunks in it at the neighborhood art fair, when everyone else was selling plain old lemonade. He’s always had bright ideas.” Not a bad way to start out high school. There will no doubt be four promising years ahead for Williams.
